quote: Don't blink. I kinda have to...otherwise my eyes dry out to little raisins. What an insensitive sig...How'd you like it if I said don't pee in my sig and you listened? You'd be walking (or gotta pee dancing) around all the time and people would point at you and say things like, "Look at that guy, why doesn't he just pee already? Doesn't he know that ignoring your bladder causes kidney damage?" Well, don't come crawling to me when you need a kidney transplant buddy.
