In the REAL world, it shows that I don't like people such as yourself or "AzWhoopin". I recall he was flamed to death by respectable RA2 players for cheating and washing his games over and over.I doubt that's the real Urrtoast. He doesn't insult himself like that... quote:First of all aircraftkiller, your the idiot, why the heck did you quote something immediatly after it was posted at the topic, its obviously is in response to that! And you have your answer, he said he's an addit and does play all day.. so you STFU you dope..So your l337 response to my insult directed at you is mostly comprised of making fun of me quoting your post? Are you mentally retarded? "Aguebnuibob he qoutaed mah posat gweuaeusgweaws" lmao.
