quote:Originally posted by Arkyd:I ahve the original, but it's so old it won't work on my computer Same here. I have the original C&C for DOS and the 95 version. I have RA1 for DOS and windows too. I managed to get the dos C&C original to run on XP PRO by forcing it into win95 compatability mode but it plays so da\*n fast that a 30 min succesfully completed mission turns into a 10 second failure mission. It goes so fast, that you can't even contral it or press ESC before you hear a "Mission Failed".
