---

when i am escorting mobius out of the resarch place i make it all teh way to the place you go up teh vehicle lifet. Then once i get tehre mobuis charges ahead into like 15 acrulites adn celing guns and gets killed how can i prevet this?????i hve run throught it liek 10 times and still can't save him. I hvae had him with like full health tooPlz help
