And let us not forget that it was the mighty APC that ended up killing Cliff Hicks and won that player a free copy of Renegade!It is a great vehicle, might and strong, and can do so very much on the field. From bring a person to his/her target to taking a whole squad of people to a major battle saftly!And sniper killing, and running over people!It is a great beast! Never to be trifled with!So if you see an APC...worry...then run!Peace
