quote:Originally posted by PyroTeknik:Flame tanks get owned by a bunch of Volt rifles, engies or not...but flametank is 800 and volt autorifels are 1000 a piece.Its like saying a bunch of nod chaingun blackhands own a basic soilder. the flame tank is my fav nod tank. They own every other tank in the game. Meds are a pain sometimes though because they have enough speed to keep away by backing up, and enough firepower to kill you.
