Have you ever gotten out to repair a vehicle and then, when you get back in, have someone swearing and cussing at you say "VEHICLE STEALER! SETOLE MY VHELIDE! GIVE DIT BAKC NOW!!!O@#2." And then they chase you around for five minutes trying to get you out of the vehicle YOU bought 5 minutes ago, and now the PP is blown . So you can't even repair your vehicle cause this twerp is tailing you .
