well i love the flame tank too, but it is hardly and "unbeatable" weapon. it's teamwork, not weapons that win. last night i played a game where the nod seemed to be winning early, but the longer the game lasted, the more gdi was winning the field with those mammoths, mrls's and medium tanks. it finally got to the point the nod could do nothing offensive and everybody was stuck defending the base and the gdi won by points when the time limit expired. it was a great game and a lot of fun for both sides..
