Well let's see now.....I have been on this site for a few day's and so far I have been called a loser, told to commit suicide, told I shouldn't reproduce and now you're telling me that I am nothing! Well.....all I can say is to hell with you all! I am hereby cancelling my membership and will warn all my friends and colleagues of the way this site is run. Thanks for such.....interesting times y'all!
