Sigh Although the Havocs/Sakuras do cost more, body shots do more damage. Flame Trail? Not easy to follow on most maps, and if the person hides, while you looking for them, Bam. I prefer the Havoc/Sakuras more. 2 body shots. ANY character. Excepting the free soldiers. All free soldiers can be killed with a single shot. Any inf you pay for cant. Unless im mistaken. But, TAR Sydney has 150 Health, 100 Armor. So, according to ACK (Thanks for the info) A single shot would kill her. So, would you like to be a few hit kill sniper, who does moderate damage, or a butt-kickings double body shot commando? Just my input.
