im shure theres a way but iv never tried to make a mod for all maps, jsut one or 2
usuallyworstcase just make the mod by makeing each map in that mod folder and saveing it
(anything u change in presets will save thro all maps in that folder)(edit) i jsut had an idea, mabey
if u made u change ur presets in the C&C_mode mod pkg under commando it would work for all
maps [February 12, 2003, 18:00: Message edited by: Spike00b]
