quote:Originally posted by aircraftkiller2001: Funny, when we played it on The Pits earlier tonight, everyone loved it. Yea I was gonna say something about that. Lots of people were the Pitts last night. I mainly remember me ACK and VM were in it. The map changed from bunkers to sand, and everyone was having fun. It's really a good map, but it wasn't the best experience because GDI blew up our \*\*\*\* HON in 1 minute. But it's a good map. PS. Paradox Harbour is still the best map
