Oh of course, why should anyone ever judge "your" maps! (sarcasm) Just beacuse my map had blending problems, that doesnt take away the fact that "your" C&C-Sand sucks. I have EVERY right to judge "your" map regardless of MY maping skill level, and so does ANYONE else regarless of theirs. When you put "your" maps up for download, people will tell you what they think of it--so deal with it.
