This time please only post map ideas that are intelligent in this...I only want map ideas. Not what I should call it. I was thinking maybe a stranded in lava-lots of black-rocks to jump from place to place-no blocks to prevent you from falling in lava and dying-then here and there some weapons or something? what do you think? Please post. Thanks [February 05, 2003, 18:25: Message edited by: MeXadiaz]
