This stinks, its totally messed up. if U put the controllers in then you can purchase vehicles, the Nod side drops them at 0. (I didnt try GDI).the point was to not have vehicles avail. Infantry only map. Then I tried just spawners instead. the are stupid, and require PDS_Test_follow_waypath to do anything. they wont dump at the refer. and dont give U money. I guess I will have to scrap the refers all together. or add weapons factory/airstrip which would ruin the whole map concept.
