quote:Originally posted by killakanz: quote:Originally posted by JTBob:very cool, texture doesn't quite look like the original (wasn't it green?) but very cool model.green?? where did that come from?All Nod vehicles were white/greyactually... green was a color on the original bike... I remember it for some reason. It was kinda all over the place in the original CnC as far as colors went... most of nod was black and red but some vehicles were greens for some reason.
