Before anything, I'd like to thank Dante for the CTF scripts. Without him, this wouldn't be possible. Announcing CTF_Forts, a port of the Quake 3 CTF Level "Deuling Keeps!" I'll be needing beta testers this week, and I'm looking for those who are dedicated and will actually test, rather than run through the level once or twice. Beta will be finished later this week, please email me and reply here if you'd like to test. My email is: SomeRhino@juno.com Thanks, and enjoy the screens! <http://www.n00bstories.com/image.fetch.php?id=1239504784> <http://www.n00bstories.com/image.fetch.php?id=1748774875> <http://www.n00bstories.com/image.fetch.php?id=1304562939> <http://www.n00bstories.com/image.fetch.php?id=2067392051> <http://www.n00bstories.com/image.fetch.php?id=1399547180> <http://www.n00bstories.com/image.fetch.php?id=1669007467> <http://www.n00bstories.com/image.fetch.php?id=1230346777> <http://www.n00bstories.com/image.fetch.php?id=1613683010> <http://www.n00bstories.com/image.fetch.php?id=1824399446> <http://www.n00bstories.com/image.fetch.php?id=1773524190> <http://www.n00bstories.com/image.fetch.php?id=1690950617>
