quote:Originally posted by Blazer: quote:Originally posted by NameHunter:Considering that the tiberium is really part of the map and is just a texture I'd say it'd be fairly hard to do. Would have to work around it somehow. Correct me if I am wrong, but the tiberium texture has nothing to do with it. Its the tiberium zone object that makes the area "harvestable", ie you don't need the tiberium texture if you don't want it. Yes but if the textures doesn't change it looks kinda stupid.
