quote:Originally posted by N/A:The second mod I do is Under Modified this mod have same efect Canyon Modified.Yes CanyonModified is in Upload to a FTP of File

Planet=====Beta Suscribe: No

aviableDownload Eta: no UploadeTeam: Geo RenegadeSpecial: Same Canyon Modified

1.01=====A special verition are create

about my first mod a veichle command bug if you ar a nod and you command a gdi veichle the gdi

veichle is ennemi This verition is in pahse working.my second mod dont have this Bug But in

my maps series NO OBJECT IS ADDED only the Purchass Terminal are Update in Veichle

Session (Extra Fnkqrrm)=====Soon:

C&C ComplexEtaL No Started=====Go back to school,f001
