Hmmm i have yet to find an use for that 125MB mod of canyon. Who actually uses extras? anyway, its up to you what you do. but at this rate if my calculationa re correc the mod will be over 1.25 GB in size if each mod is 125 MB.argh!, thats us  [ January 16, 2003, 10:19: Message edited by: General Havoc ]
