How do i get the edges of a mesh (in this case a waterfall) to fade to transparent? (As seen here in C&C\_Field)[http://www.geocities.com/maytridy/OWW.html?10425\\_92278108](http://www.geocities.com/maytridy/OWW.html?10425_92278108) [ January 14, 2003, 16:58: Message edited by: maytridy ]
