quote:Originally posted by aircraftkiller2001: quote:Originally posted by Jonathan Wilson:no, the one I am referring to is the one with the big temple of nod in it, and the NOD construction yard to play around in. And it's pointless to turn that into a MP map. It's too large for it. I have the 3D Studio Max file for it, but it's just worthless to do. I agree. Turning a map that size into a DM map would be crazy. It is so large, that on a 10 player server, you would never find anyone!
