Good job Laser. Don't worry about the people that talk smack. They just don't want anyone taking a piece of their glory pie. I say, finish it. The community, NOT A ARROGANT IDIOT, is who decides what is good or not. The people are ALWAYS looking for more avenues to fight on. We want variety. Do they have to be perfect? Well we've ALL SEEN maps by the self proclaimed king that aren't perfect, but they can still be fun to play. Keep up the good work.
