DeafWasp, you've been a little cocky lately. Like your on a power trip or something. Everyone your calling a n00b isn't, and just cause they haven't made contributions since you've been here doesn't mean that they didn't help lift modding off the ground. There are those of us who have been around since before the mod tools, when we had to figure out drop scripts. So just chill.~Bumpaneer [December 02, 2002, 16:38: Message edited by: Bumpaneer]
