(10-31-2002)===== - Users Sitting idle at team selection
screen for too long will now be kicked.- Being kicked three times in a row results in a ban(WOL
mode).- New 'allow' console command to remove a WOL ban.- Map rotation limit now set to 100.-
Added new flying multiplayer map Glacier.- Servers running maps that the client doesn't have now
show up in the game list.Aren't you happy? Thanks to everyone who made this possible! Greg
Hjelstrom, Dante, Blazer, Crimson, and last of all and least of all, myself.Enjoy! Look forward to
massive Glacier Flying games!Capture the flag?
