I downloaded the FDS to test my maps on to make sure there were no problems before uploading my map, but I have yet to do so. Why? Its been almost a week since I applied to host a FDS but still no E-mail from Westwood with Serial number. Has anyone here applied for a FDS? If so, how long did it take to get your email? It seemed like you were supposed to get the E-mail the same day... Just curious.Triforce
