I have a new map (or edited) in the making. It is C&C Under but modified. IF ACK wants me to change the DM to something else (remember the C&C DM Forest thread?), I will change it. Added so far: Added falling snow Added night Added ambient battle sounds Added Mini-gun SFX by GDI bunker Added music by Tiberium Field. Added destroyed veichles Percent done 6%. Excpeted Release Date: 1 month Will put screens soon [ November 11, 2002, 10:22: Message edited by: Tiberc ]
