quote:Originally posted by Trainboy:Hello everyone! I have an idea for a mod. What if someone re-created all of the missions that were in C&C TD, for both GDI and NOD? As well as some of the more popular multiplayer maps that were in TD. Though this would take a long time to complete, this would be an awesoe mod that would include both single-player and mulitplayer. Oh, and why not include the same cut-scenes that were in TD in between each mission? Just an idea, post your thoughts. -Trainboy           Remember, it's Nod, not NOD.
