----- Im manipulated? By who? I controll myself. I was just trying to end something, and to start a new friendship. I remember when I used to fight with kaibigan, but we settled our differences, and we became friends. Why wouldnt you want the same. Do you enjoy this? I dont understand why you chose this path. I only want peace, not war. I see that its pointless to flame, and Im sorry for what I have done, but I cant change the past, I can only make a better future. I dont know how you want the future to be, but I am trying to prevent a bad one. ----How 'bout this? You stop replying to anything that relates to me bashing n00bies, and you won't have to worry about me bashing n00bies. Mmkay?
