WW said that it you shouldn't use mix for maps because of diff bullet speeds etc could cause some crazy things in Renegade and all I think.Stop spamming...I'm not spamming. When I made my mod did I make a diff topic for every little thing about it? I didnt go Humm-vee Warz released! and then 5 min later New screens for the Humm-vee Warz Patch! I didnt do that,I kept it under one topic. Alot unlike you.You registered not even 15 days ago, and you have over 500 posts. That's more than spam, it's annoying, so GTF out of here or stop spamming, you n00b.I though you where Cool Aircraft Killer.. But your not.. your Turning in to that LOSER THE BUZZER.. WTF IS WRONG WITH YOU LATTLY? you been attacking the Poor Kid.. when he is just trying to help you.. Shame.. on.. youHe's not trying to help, he's just saying: 'Well I think it does this and that and WS might have well i dont know maybe i think duh duh duh blah blah blah.'That isn't help. It's just spam.It is info. Also you claim that informing your fans that of info that they ask for is spam. I say that because people needed it I increased the deploy delay and you say that is spam. Can you stop playing God and acting like everyone who is not you is an idiot?You're a n00b, and you're an idiot. Enough said, case is proven.With something other then post count? Post count is nothing. I have helped some people here and some have also enjoyed the mod of which I have created. But ya know what? I'm done with you. You have to insult others constantly in order to look better. You mine as well stop trying to insult me because insults,to me,mean nothing. If they meant nothing to you, then you never would have replied. You've helped people, OH WOW. So have I, in the two years I've been around the WS community. I've also done a helluva lot more than you have, yet this is about the only time I say anything about it. I don't care what your excuses are, you're spamming the forums like a little n00b because Devinoch opened the registration again. You were waiting all this time to post horrid amounts of spam just to make yourself look good to people.Thank you, come again! Idiot.
