PiMuRhoSir PhoenixxQuote:Incorrect! It depends on the model of the flamethrower. Not all flamethrowers look like your shitty one!

Quote:The flamethrower is still just a grey stick!

What do ya know, the real flamethrower is just a gray stick! :rolleyes:

That doesn't mean that you can't make it look more interesting..

We already did, there's burn marks, rust, dirt, scratches, logo(s), etc. all over it.
