Sir PhoenixxK9TrooperThey had a picture of some of us taking turns with the razor. This chick got a hold of the picture and all of us in the shots got \$250 disorderly conduct tickets. It was worth it.

Lol... That stunt would have been perfect if you wouldn't have been stupid enough to give her the evidence she needed to give you that \$250 fine. :rolleyes:

I didn't. Someone else took the pictures. Somehow she got them.
