Alright, I'm having trouble deciding between these two video cards, and I'd like to know which one is the best. I'm no video card expert, so I wanted your guys's opinion.

256 MB ATI Radeon 9800 PRO 8X AGP - $300-$280

128 MB ATI Radeon PCI Express X800 SE - $180

Should I sacrafice better bus speed for more RAM?
