Where do you pull this shit from? WMD was one of four reasons to go to war with them.

<http://newsmax.com/archives/ic/2004/6/29/121539.shtml>

This article shows how the 9/11 commission has found that the war has definitely stymied Al Qaeda and severely limited their ability to "strategize, plan attacks, and dispatch operatives worldwide."

And don't forget your dear Mr. Clinton said the same things that Bush did:
