KIRBY098Just another "look at me, I'm angry!" I-ACK-ey

ROFL! That's almost too funny to reply to!

I have no loyalties toward Ack, or any of the RenAlert team. I love it how people instantly assume that because I feel that Reborn is godawful, and the Deezer Studios team is a bunch of common thieves, that I'm instantly some sort of RenAlert fanboy.

Tell me, is there any post, anywhere, that I made that explains an unhealthy attraction towards the RenAlert mod? Perhaps some sort of blind profession of loyalty and faith towards Aircraftkiller or any of his team members? No? I didn't think so.

Don't start running your mouth about stuff that you don't have a clue about.
