Let's see, did I make those quotes up, or did you post them? Oh, that's right, you did.

You asked for one instance, I provided SEVEN. I did not refer to Ack's egging you on in the log to show the INVALIDITY of the log, only to show that there is a parallel thought pattern in the bashing. You know what that log shows? It shows Renardin conducting himself in an adult manner, Ack giggling like a little girl, and you going off about absolutely nothing important at all. Who cares? NO ONE but you.

Renardin wins, and you come off as an ass.

Your non-descript attempts to slough these quotes off are pathetic, and I disregard them as such.

It's clearly evident you both are looking for one another's approval.
