Quote:No offense intended, but are you seriously telling me that you would try this in a 6v6 clanwar? If so we need a clanwar

Actually, i don't know if I'd do this in a 6v6. If mahkra was playing, then I'd do the 2 SBH version for sure.

Of course, these days I wouldn't, not on our server. Cause hotties and techs get shotguns. You can't argue with that.

Edit: Removed an erroneaous automatic tag closing.
