since nobody has bothered to reply ( ) i have released it

http://www.aohost.co.uk/FDSTalk/FDSTalk.zip
http://www.aohost.co.uk/FDSTalk/FDSTalk_Source.zip

you may include it in your app as long as credit is given to me in the readme

the syntax to send an msg is <message> Bye! <fdsdir>

which is basically " Bye! " without the "

Dont forget the trailing slash in FDS dir
