DanSolook ok, well we wouldn't be waiting for you, we would be destroying your base already
wait.

when mahkra and i are in your base with SBH's, you think any number of you could get past
taskbot, priest, zoogler, rujiel, aplacebo, disposblh, and java (pick 4)?

not likely, friend.

ps. Mahk - register on the FUD forums, dood.
