Maybe I'll just shut you down... I don't need to listen to your bullshit, and neither does anyone else.

You missed the entire point..

1) ACK is obviously an abbreviation of Aircraftkiller. Blazer commonly misspells "already" with two l's, so I put a filter in there to automatically fix it for him. I did this along the same lines.

2) Waking up to this huge thread full of complaining that you can't call him ACK anymore (if I left it on) PROVES HIS POINT that you are using it to insult him and you resent not being able to insult him anymore!

Now, to appease you... Re-barn -> Reborn
