sw33tactually, some colleges won't exept now, If a person has an I.Q of below 650s.
Dude, didn't you read any of the posts since the last time you mentioned your 'IQ'?

mahkraI think he meant to say "double 650s," which also makes me think he meant SAT score, not IQ.
I'll try to say this as simply as I can:

YOUR S.A.T. SCORE IS *NOT* YOUR I.Q.!!!!!!!

Also, just because <1300 = automatic elimination, that doesn't mean that >1300 = automatic acceptance. In other words, 1300 is their cutoff to separate the unbearably stupid from those who *might* be intelligent. It's not their cutoff to separate the smart people from the dumb ones.
