One question to you gotwhiskey..... how do you know for a F A C T Xaltergo dosnt cheat? I hope your gonna tell me you play on his machine and watch him play at his home and if not then there is no f*cking way you can say 100% he dosnt cheat. Good cheaters NEVER tell anyone. So tell all of us in this forum how you know 100% he dosnt cheat?

gotwhiskeyI am #1 on that server and I know xalterego, and I know for a fact he doesn't cheat. That server has no cheaters on it that I am aware of, and I encourage more people to play on it. It has two new map packs, and is a wicked server. I spend all my time on this server, it also has a seperate website to check your stats.... <http://www.cugsworld.net>
