So, because a right-leaning news outlet decides to run with a story that makes the left look bad... and that's somehow incriminating?? I don't know where you're trying to go with that.

Maybe it has some holes because the entire fucking story hasn't been told in the news? Hardly exonerates him.

You keep focusing on all this other stuff and not WHAT IS IN THE DOCUMENTS HE "LOST"?
WHAT IS IN THE MISSING DOCUMENTS THAT HE WAS WILLING TO FALL ON HIS SWORD
TO REMOVE/DESTROY??!
