Aircraftkiller You don't even know the history of Reborn. I'm not going to "believe" in something that continually fails and lies to cover it up.

Yeah I have. You told me once on IRC when I was playing RenAlert. And from what I've seen, it's been getting better and better, not worse and worse. But your response hasn't changed at all. Crap, crap, crap, crap, crap, crap. You don't have to believe in the mod, but it is not too much to ask to stop slandering and spewing hate towards a mod regardless of what happens.
