I don't care if it makes me look like a moron. I hate spreejem, I'm going to take care of him once and for all. He has no life other than coming on these forums every single day, acting like he know everything. He has no girlfriend. If you do tell me her name, and how old she is. I have a girlfriend, her name is Brooke Davis, she is has brians and is sexy, We both live in Oakwood.

You Have no girlfriend and if you do, she is probably cheating on you for a peron who is more sensitive and doesn't have a job with the phrase "would you like fries with that".
