blushes Please note the only reason that building stayed alive was because Scythar was on their team.

/me looks at his score on screenie.....

w00t!!!! I'm #31! I remember that moment quite fondly. That timed C4 was on the very bottom of the MCT, where it couldn't be seen. Everybody had disarmed like 4 timed C4s on the MCT before that one, so we thought we were done as the last one went out, but no.....BOOM! Even though I was plenty pissed, it was still pretty damn funny.
