I am not the official Leader of Reborn... But I might be soon ( after what DarkOmen said... )

I asked for help to do UVW mapping. So can someone help me ?

I need it to finish :

Recon Bike, Cyborg Reaper, Devil's Tongue, Nod Elite Cadre, Nod Sniper, Nod Technician, Gdi Mutan ( sort of mate of ghostalker and umagon ).

Any help is welcome.

One of my weapon boner is on vacancy time ( for one month ). Help is also welcome.

( AND PLZ DON'T GO OFF-TOPIC !!! ACK thinks 'Reborn Sux'... WHO CARES ??? I DON'T GIVE A SHIT ABOUT THAT. )
