Micheal Moore is a big fat stupid white man.

I laughed my ass off at this book I am almost done with it.

http://www.amazon.com/exec/obidos/tg/detail/-/0060763957/qid=1091330563/sr=1-1/ref=sr_1_1/002-3877990-8730449?v=glance&s=books

Also, I have one more thing to say. That is, there is no point arguing with this liberal monkeys. They will never understand and you don't need to waste your time typing up this essays. It has been said before and I will say it again. Arguing online is like running in the special olympics, no matter if you win or lose you're still retarded.
