Im creating a map and have some questions:

1: I want to make new Keycards for doors but how do I set them up? Is it possible to purchase it in a purchase terminal instead on a beacon if so how? and is there a way to make the keycard appear if the holder dies?

2: I'm not sure if this is possible but are "spotlights" possible on night maps and if so how? and is it possible to make them turn

Thanks
