LOL that suddenly reminds me of something I thought of about 2 days ago:

Topic: Renegade Alert: ACK

Renegade Alert will now have limited edition ACK figureines! Pull the string, and Aircraftkiller will say one of these amazing phrases:

OMG REBARN SUXX0RS!

REBORN SUCKS!

YOUR MOD SUCKS MINE R00LS J00 ALL!

Plus many more!

And, if you order within the next 10 minutes, you will get your free, limited edition Bash Box! Simply put what you want to have bashed into the box, and it will come out as a real Aircraftkiller bash!

(It was funnier when I thought of it.)
